To Whom It May Concern:

It is my pleasure to recommend Mrs. Benita Scheckel, for a principal position. Mrs. Scheckel first became my supervisor 2 years ago when she joined Marshall as the Assistant Principal of Student Support services. Through my continuous interactions Mrs. Scheckel; I have come to know her as a hardworking, organized, talented, energetic, knowledgeable an all-around positive individual.

Mrs. Scheckel is a rare type of administrator who combines exceptional natural ability with a willingness and eagerness to learn and apply what she has learned to benefit the students. She is a natural problem solver who is constantly putting out fires. She is committed to improving the quality of the programs at Marshall. Improvements are visible through programs like the Academy of Creative Industries, Sports pep rallies, cultural assemblies and many other ASB/School Events.

I am very fortunate to have such an exceptional supervisor. Mrs. Scheckel is an excellent role model. She always conducts herself in a professional positive manner that encourages others to do so as well.

If you wish to discuss this with me further, please don't hesitate to contact me.

Sincerely,
